

# Your Dreams Are Our Passion

Trusted since 1991

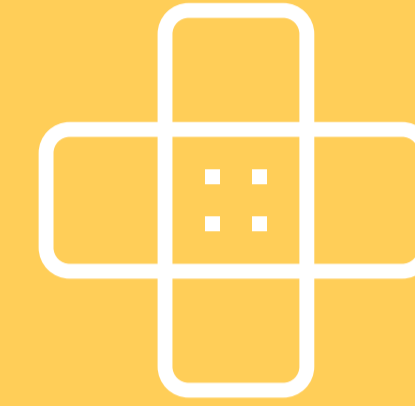

Experience personalized fertility care for every walk of life.

## Why PFCLA?

Comprehensive fertility resources with an in-house egg donation and surrogacy agency

Dedicated care with personalized, attentive support

Industry-high IVF success rates

World-class standards of care and transparency

End-to-end support and compassionate care

## Words From Our Patients

“There is no better team. They truly treat you like family. I would recommend Dr. Rodi to anyone struggling with infertility. Her knowledge and expertise are unparalleled.”

Sarah H.

“Dr. Sahakian is an amazing physician. He is very caring, incredibly knowledgeable and provides all the options for the future parents, which gave us so much comfort.”

Michael M.
